

**BRITISH PAEDIATRIC RESPIRATORY SOCIETY
19TH SUMMER SYMPOSIUM
“Respiratory care of children in the
digital/technological age”**

**Thursday 29th to Friday 30th June 2017
at The Møller Centre,
Churchill College, Storey’s Way, Cambridge CB3 0DE**

**Scientific Committee: Wanda Kozłowska, Rob Ross-Russell,
Steve Cunningham, Gwyneth Davies and Sejal Saglani**

THE BPRS SUMMER SYMPOSIUM

This meeting is the 19th Annual Summer Symposium in Paediatric Respiratory Disease. It is aimed at Respiratory Specialists, Trainees and AHPs and the theme this year may well be attractive to paediatricians practicing Respiratory medicine in various settings.

Provisional Programme

Thursday am

Trainees knowledge based assessment

Master class workshop on CPET – the theory and the practice.

Paul Burns, Clinical Scientist, Royal Hospital for Children, Glasgow

Dr Jonathan Fuld, Respiratory Physician, Addenbrooke’s Hospital, Cambridge

Thursday pm

Pre-schoolers: wet cough & wheeze: Who needs investigation? Who needs re-assurance? How should we manage this?

Trainee presentation(s)

Prof Sejal Seglani, Royal Brompton Hospital and Imperial College

Break out groups to formulate

Guidelines that can be used in clinical practice

Research questions to put forward to the BPRS

Interstitial Lung Disease in Children

Dr Alistair Calder, Consultant Radiologist, GOSH

BPRS business meeting

Thursday Evening: drinks & conference meal at Peterhouse College

Friday am.

Using design and technology to improve care and adherence; involving our patients in their care. New solutions to old problems?

CF: Prof Jane Davies, Royal Brompton Hospital and Imperial College

Asthma: Dr Heather Elphick, Sheffield’s Childrens Hospital, Sheffield

Why design matters and how to apply in medicine: Ian Hoskin, Senior Research Associate, Engineering Design Centre, Department of Engineering, University of Cambridge.
Trainee presentation(s)

Friday pm.

Buxton's Law: It's always too early (for rigorous evaluation), until, unfortunately it's suddenly too late.

High flow Oxygen

Respiratory physiology during HFNC in preterm neonates

Dr Zheyi Liew, Newcastle Resp Grid Trainee / Research Fellow

HFOT in Bronchiolitis

Prof Steve Cunningham, Hospital for Sick Kids, Edinburgh

Pro/Con Debates

“**LCI** tells me things that can improve outcomes in CF if used routinely”

Dr Gwyneth Davies & Dr Anna Shawcross

“**FeNO** should be used in all school aged children with wheeze, from the GP surgery right through to tertiary level paediatric respiratory medicine, to direct management”

Dr Louise Fleming & Dr Steve Turner

Fees – Do NOT include accommodation

Both days, including conference meal

Consultant - £250.00

Trainee/AHP - £200.00

One day, does not include conference meal

Consultant - £150.00

Trainee/AHP - £100.00

Dinner - £30.00

Booking information and payment options can be found at
